REQUEST FOR RECONSIDERATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action dated June 19, 2007, reconsideration and allowance of the present application are respectfully requested. Claims 1-30 remain pending in the application, of which claims 1, 21 and 30 are independent claims.

On numbered page 2 of the Office Action, independent claims 1, 21 and 30, along with various dependent claims, are rejected under 35 U.S.C. §103(a) as being unpatentable over U.S. Patent Application Publication No. 2005/0017924 (Utt et al) in view of U.S. Patent Application Publication No. 2006/0187305 (Trivedi et al). Later, on pages 5-6, claims 8-9 are rejected under 35 U.S.C. §103(a) as being unpatentable over the Utt and Trivedi patent documents in further combination with U.S. Patent No. 6,771,237 (Kalt). These rejections are respectfully traversed, as none of the documents relied upon by the Examiner, considered individually or in the various combinations set forth in the Office Action, teach or suggest Applicant's invention as recited in independent claims 1, 21 and 30.
